

CURRICULUM VITAE

1) Date of preparation of CV: November 22, 2016

2) Personal data:

a) Name: Gervasio Antonio Lamas, M.D.

3) Education: 06/1974; Biochemical Sciences B.A.; Harvard College

06/1978; M.D; New York University School of Medicine

4) Postdoctoral Training: 1978-1979; Medical Intern, Brigham and Women's Hospital

1979-1980; Junior Assistant Resident, Brigham and Women's Hospital

1979-1980; Senior Assistant Resident, Brigham and Women's Hospital

1979-1981; Clinical Fellow in Medicine, Harvard Medical School

1981-1983; Research/Clinical Fellow in Medicine, Brigham and Women's Hospital.

1981-1984; Research Fellow in Medicine, Harvard Medical School

5) Licensure/
Board Qualifications: New York State Medical License, 2009-
Certificate #7957092

Florida Board of Medicine, 1995-
Certificate #ME 0069106

Massachusetts License Registration, 1978-2000
Certificate # 46588

American Board of Internal Medicine
Certificate # 82864 issued on 9/16/81, active

American Board of Cardiology, 1983
Certificate # 82864 issued on 11/9/83, active

International Board of Heart Rhythm Examiners,
Testamur 1986

6) Military service: Not applicable

7) Professional organizations and societies:

Massachusetts Medical Society, 1986-present

North American Society of Pacing and Electrophysiology,
1986-present

Fellow, American College of Cardiology, 1986-present

Heart Rhythm Society, 1986-present

American Federation for Clinical Research, 1988-2001

International Society for Heart Research, 1989-1999

Fellow, American Heart Association, 2007-present

Fellow, College of the Asian Pacific Society of Cardiology,
2007-2009

Fellow, European Society of Cardiology, 2008-present

8) Academic
appointments:

1984-1988; Instructor in Medicine; Harvard Medical School

1988-1993; Assistant Professor of Medicine; Harvard
Medical School

1993-2008; Associate Professor of Medicine at Mt. Sinai;
University of Miami School of Medicine;

1999-2008; Director, Cardiovascular Research & Academic
Affairs; Mount Sinai Medical Center

2008-2009; Voluntary Professor of Medicine, Miller School of
Medicine, University of Miami

2008-2009; Cardiology Fellowship Program Director;
Jackson Memorial Hospital/Miami VAMC/University of Miami
Hospital

2008-2009; Interim Vice Chair for Clinical Affairs, Division of
Cardiology; Miller School of Medicine, University of Miami

2009-2013; Professor of Clinical Medicine, Columbia
University Division of Cardiology, College of Physicians and
Surgeons, Mount Sinai Medical Center

2013- Present; Professor of Medicine, Division of Cardiology,
Columbia University Medical Center

9) Hospital appointments: 1983-1993; Associate Physician; Brigham and Women's
Hospital

1986-1993; Director; Brigham and Women's Hospital,
Pacemaker Clinic

1993-1999; Chief, Division of Cardiology; Mount Sinai
Medical Center

1999-2008; Director of Cardiovascular Research and
Academic Affairs; Mount Sinai Medical Center

2008-2009; Director, Coronary Care Unit; University of
Miami Hospital

2009-present; Chief, Columbia University Division of
Cardiology; Mount Sinai Medical Center

2009-present; Co-Director, Mount Sinai Heart Institute,
Mount Sinai Medical Center

2011-Present; Chair of Medicine, Mount Sinai Medical
Center

10) Honors:

Cum Laude - Biochemical Sciences, 1974

AOA Honor Medical Society, 1978

Samuel Spiegel Award for Excellence, New York University
School of Medicine, 1978

Honorary Member, Venezuelan Society of Internal Medicine,
1990

Profesor Honorario de la Universidad del Salvador,
Republica de Argentina, 2004

“Huesped de Honor”de la Facultad de Ciencias Médicas de
la Universidad Nacional de la Plata, Argentina 2004

“Profesor Visitante” de la Facultad de Ciencias Médicas de
la Universidad Nacional de la Plata, Argentina. 2004

Latino of the Year 2005 (Latin Business Club of America)

Norman Clarke Award from the American College for
Advancement in Medicine for Advancing Research into
Chelation Therapy, 2013

11) Fellowship and grant support:

1. 1987-1992; **Survival and Ventricular Enlargement- SAVE**
Principal Investigator of the Brigham SAVE center and Catheterization Core Laboratory, Chairman, Forms Committee, Participant, Mortality and Endpoints Committee, Member, Clinical Coordinating Center.
Total Funds: \$580,000 Sponsor: Bristol-Myers Squibb
2. 1992-1993; Clinical evaluation of the Medtronic 4068 lead system
Status on grant:
Total Funds: \$30,000 Sponsor: Medtronic
3. 1990-1993; **Cholesterol and Recurrent Events- CARE**
Principal Investigator, Brigham CARE Center
Total Funds: \$400,000 Sponsor: Bristol-Myers Squibb
4. 1993-1995; **Healing and Early Afterload Reducing Therapy- HEART**
Principal Investigator at the HEART Catheterization Core Laboratory at Mount Sinai Medical Center Member, Planning Committee, Executive Committee
Total Funds: \$62,000 Sponsor: Hoechst Marion Roussel & Upjohn
5. 1993-1996; **Pacemaker Selection in the Elderly-PASE**
Principal Investigator and Study Chairman
Total Funds: \$600,000. Sponsor: Intermedics, Inc
6. 1994-1998; **Rate Responsive Dual Chamber Study**
Principal Investigator and Study Chairman
Total Funds: \$680,000. Sponsor: Pacesetter Systems, Inc.
7. 1995-2002; **Mode Selection Trial in Sinus Node Dysfunction- MOST**
Principal Investigator and Study Chairman
Total Funds: \$10 million Funding agency: National Heart Lung & Blood Institute
8. 1996-2001; **Enhancing Recovery in Coronary Heart Disease Patients- ENRICH/Project II**
Trial Director at Mount Sinai
Total Funds: \$550,000 Funding agency: National Heart Lung & Blood Institute

9. 1997- 1998; Grant to chair the NHLBI Clinical Trials Review Committee
Chairman
Total Funds \$150,000 Funding agency: National Heart Lung & Blood Institute
10. 1997-2002; The Prevention of Events with Angiotensin Converting Enzyme Inhibition-PEACE
Clinical Unit Principal Investigator
Total Funds: 35,000 Funding agency: National Heart Lung & Blood Institute
11. 1998-2006; The Occluded Artery Trial- OAT
Co-Chairman
Total Funds \$15,000,000 Funding agency: National Heart Lung & Blood Institute
12. 1999-2002; Valsartan In Acute Myocardial Infarction- VALIANT
U.S. Consortium Co-Leader
Total Funds: 100,000 Sponsor: Novartis Pharmaceuticals
13. 1999-2002; The Advanced Elements of Pacing Trial- ADEPT
Study Chairman
Total Funds: \$2,900,000 Sponsor: Medtronic
14. 1999-2003; Candesartan in Heart failure Assessment of Reduction in Mortality and morbidity- CHARM
Clinical Unit Investigator- U.S. Leader (1 of 7).
Total Funds: 120,000 Sponsor: AstraZeneca
15. 2000-2001; A randomized trial of effects of aspirin on C-reactive protein increases due to postmenopausal hormone therapy.
Principal Investigator and Study Chairman
Total Funds: \$ 300,000 Funding agency: Bayer Pharmaceuticals
16. 2001-2005; The Heart Failure Home Care trial- HFHC
Clinical Unit Investigator
Total Funds: 450,000 Funding agency: Centers for Medicare & Medicaid Services
17. 2002-2014; Trial to Assess Chelation Therapy- TACT
Principal Investigator and Study Chairman
Total funds: \$31,652,717 Funding agencies: National Heart Lung & Blood Institute/ National Center for Complementary and Alternative Medicine
18. 2003-2008; Search AV Extension and Managed Ventricular Pacing for Promoting Atrio-Ventricular Conduction-SAVE-PACe
Study Co-Chair
Total Funds: \$2,000,000 Sponsor: Medtronic

19. 2005- present; Evaluation of the Safety and Efficacy of the Optimizer II System with Active Fixation Leads in Subjects with Heart Failure Resulting from Systolic Dysfunction- FIX-HF.
Clinical Unit Investigator
Total Funds: 135,000 Sponsor: Impulse Dynamics, Inc.

20. 2009- present; Study to Evaluate the Safety and Efficacy of PROCHYMAL® (Ex-vivo Cultured Adult Human Mesenchymal Stem Cells) Intravenous Infusion Following Acute Myocardial Infarction. OSIRIS 403
Clinical Unit Principal Investigator
Total Funds: \$120,000 Sponsor: Osiris Therapeutics, Inc.

21. 2009- 2010; Spirocor Coronary Outcome by Respiratory Stress Examination- SCORE.
Clinical Unit Co-Investigator
Total Funds: \$25,000 Sponsor: Spirocor, Inc.

22. 2009- 2011; A Phase 3, Randomized, Double-Blind, Evaluation of the Safety and Efficacy of Apixaban in Subjects with a Recent Acute Coronary Syndrome - APPRAISE-2.
Clinical Unit Principal Investigator
Total Funds: \$80,000 Sponsor: Bristol-Myers Squibb

23. 2011-present; A randomized, double-blind, placebo-controlled trial of quarterly subcutaneous canakinumab in the prevention of recurrent cardiovascular events among stable post-myocardial infarction patients with elevated hsCRP- CANTOS
Clinical Unit Principal Investigator
Total Funds: \$116,000 Sponsor: Novartis

24. 2011-2013; Evaluation of the Safety and Efficacy of Short-term A 002 Treatment in Subjects with Acute Coronary Syndromes (VISTA-16)
Clinical Unit Principal Investigator
Total Funds: \$96,637 Sponsor: Anthera Pharmaceuticals

25. 2011-2015; A Randomized, Double-Blind, Placebo Controlled Trial, to Assess the Prevention of Thrombotic Events with Ticagrelor Compared to Placebo on a Background of Acetyl Salicylic Acid (ASA) Therapy in Patients with History of Myocardial Infarction (PEGASUS-TIMI 54)
Clinical Unit Principal Investigator
Total Funds: \$95,800 Sponsor: Astra Zeneca

26. 2012-present; Assessment of Clinical Effects of Cholesteryl Ester Transfer Protein Inhibition with Evacetrapib in Patients at a High-Risk for Vascular Outcomes- ACCELERATE.
Clinical Unit Principal Investigator
Total Funds: \$389,961 Sponsor: Eli Lilly

27. 2013-2014; Improving Syncope Risk Stratification in Older Adults.
Co-chair- Steering Committee
Total Funds: \$156,332
Sponsor: Oregon Health and Science University/ Collaborator: NIH
28. 2014-present; James P. Carter Memorial Grant for EDTA Chelation Research
Principal Investigator
Total Funds: \$20,000
Sponsor: International College of Integrative Medicine (ICIM)
29. 2016-present; The Trial to Assess Chelation Therapy (TACT2)
Principal Investigator and Study Chairman
Total Funds: \$36,935,277
Sponsor: National Institutes of Health (NIH)

12) Departmental and University Committees:

Medical Internship Selection Committee, Brigham and Women's Hospital, Boston, MA, 1978-1981.

Committee for Free Medical Care, Brigham and Women's Hospital, Boston, MA, 1979-1980.

Inventory Control Committee, Cardiac Cath Lab, Brigham and Women's Hospital, Boston, MA, 1989-1990.

Standing Committee on Minority Recruitment, Cardiovascular Division, Brigham and Women's Hospital, Boston, MA, 1989-1994.

Member, Medical Executive Committee, Mount Sinai Medical Center, Miami, Florida, 1993-2000

Member, Medical Education Committee, Mount Sinai Medical Center, Miami, Florida, 1993-Present

Member, Research Committee, Mount Sinai Medical Center Miami, Florida 1993-Present

Chairman, Credentials Committee, Mount Sinai Medical Center 1997-Present

Member, Mount Sinai Medical Center Institutional Review Board 1999-Present

13) Teaching Experience and Responsibilities:

Teaching responsibilities:

2009-2013: Program Director of the Mount Sinai Medical Center Cardiology Training Program, Dr. Lamas has: 1] developed a core curriculum according to Accreditation Council for Graduate Medical Education recommendations; 2] developed a clinical research program involving all the fellows; 3] developed a lecture series that covers the Core Curriculum; and 4] is active in bedside teaching and lecturing to the Cardiology fellows and medical residents.

14) Other professional activities:

a) Editorial:

Manuscript reviewer: American Heart Journal; New England Journal of Medicine; PACE; American Journal of Cardiology Associate Editor-Journal of Interventional Cardiac Electrophysiology, Electrophysiology Reviews Member Editorial Board-American Heart Journal Member of the Advisory Committee: Timely Topics in Medicine, Internet Journal. Editorial Board, Revista Espanola de Cardiologia. Editorial Board, Cardiacore.

b) Consultative:

Research Subcommittee of the Government Relations Committee, North American Society of Pacing and Electrophysiology, Newton Upper Falls, MA, 1992-1997.

Fellowship Committee, North American Society of Pacing and Electrophysiology, Newton Upper Falls, MA, 1992-1994

International Society for Adult Congenital Cardiac Disease.
Executive Committee Member 1995-1998

Councilor of the Florida Chapter American College of Cardiology
District 9. 1996-1999

Clinical Trials Review Committee, National Heart Lung & Blood Institute
Member 1993-1997

American Heart Association Florida Affiliate, Research Peer Review
Committee 1993-1995

Chairman, Special Emphasis Panel, National Heart, Lung, and Blood
Institute 1996

Surgery & Bioengineering Study Section Reviewer, National Heart, Lung, and Blood Institute 1996

DUCCS Steering Committee Member, Duke University Cooperative Cardiovascular Studies 1996-2000

Chairman, Clinical Trials Review Committee, National Heart, Lung and Blood Institute 1997-1998

Consultant, National Heart, Lung and Blood Advisory Council, 1997

Chairman, PREVENT DSMB (NHLBI Trial) 1998-2002

Member MESA DSMB (NHLBI Trial) 1999-2002

Member CREST DSMB (NHLBI Trial) 2005-2010

Board Member of the American Heart Association (Greater Miami Chapter) 1998-2002

President of the South Florida American Heart Association 2000-2001

Charter Member National Hispanic Advisory Board Pfizer US Pharmaceuticals 1999-2001

Consultant on dronedarone, Sanofi Aventis, 2009-2010

Medical Monitor, Guided Delivery Systems, 2008-present

Chairman, RAID DSMB (NHLBI Trial) 2010-present

Member, ISCHEMIA DSMB (NHLBI Trial) 2011- present

15) Publications

A. Original, Peer Reviewed Articles
